## PRESIDENT'S NOTE

Things are starting to roll again. We have several activities coming up and hopefully the weather will cooperate. We also acquired quite a few new members through the holidays.

As everyone knows, we will be having our car show this year. Please step forward to help Mark Kidd and Don Weber make this a show to remember.

Clarence Barnes had quite a scare. But he is doing great at this time. Let's keep them in our thoughts. Especially Barbara as she has to take care of him.

Get out there in the garage and clean up those cars. We need to start cruising

**February, 2014**  
**MONTHLY ACTIVITY REPORT**

by  
Mike Dohrse

It seems to me that this winter has had an abnormally high number of cold days with more days below freezing. It also seems we have had more wet days than the past couple of years. The Burnet Bulletin reported that Burnet had the wettest October ever. Both lakes Travis and Buchanan lake reflect that in elevated lake levels. Since I live on Buchanan I follow that level more closely. It is up over 5% & 4 feet over the low point. Tomorrow and the next day we will be experiencing some of Don Craw's Winter mix.

**RECENT ACTIVITIES**

**Saturday - January 3, 2014 - FRIDAY NIGHT FEVER** - 5:00 PM - until ????. Bring out your Hot Rods and Classic Cars to Cecil Atkission's Chrysler Dodge in Burnet. Our inaugural Friday Night Fever in November, was a huge success, with 32 cars and over 50 members. Our second one, December 6, was cancelled because of severe weather.

The weather forecast was much better for January 3, so much for forecasts. It was cold and windy. I got there about 4:30, and by 5:00 PM, even with a heavy leather jacket I was cold. Kelly Misfeldt and I got there about the same time, just as they were starting to move cars. By 5:00 PM, we had 9 cars, and by 5:30 PM, we had 15 cars and more than 30 hardy members. Some came without their hot rods, just to enjoy the camaraderie. We are now starting to draw spectators off the street.

**Friday - January 17 - The Monthly Dining Out** - This month Bob and Millie Deets set us up for great Pizza at Mr. Gattis in Kingsland. We had 30 members + 1 guest enjoy the super pizza and great service. Both the Friday Night Fever and the Monthly Dining Night Out are great ways to get together with fellow club members, particularly, during the winter months.

**UPCOMING ACTIVITIES**

**Friday February 7 - FRIDAY NIGHT FEVER** - 5:00 PM - until ????. Bring out your Hot Rods and Classic Cars to Cecil Atkission's Chrysler Dodge in Burnet. This is our 4th monthly time to do this Activity. Lets make it the great success the others have been.

**Friday February, 14 - Monthly Dinning Out** - Valentines Day Dinner at The Light House Restaurant at the Packsaddle Golf Course. Bob and Millie Deets have planned a romantic evening for the Club, including a band and dancing. You will be ordering off the menu, and there will be a cash bar. Bob says the prices are very reasonable. Start time is 5:00 - 5:30 PM. RSVP to Bob or Millie @ (830) 598-5868. This will be another outstanding activity.

**February 22, - Stephanie Myers' 3rd Annual Georgetown Airport Classic Car and Vintage Plane Show** - Georgetown Airport. Registration is from 9:30 AM - 11:30 AM. Pre-registration (before 2/14/14) is \$20 for the first car, with \$10 for each additional car. After 2/15/14, it will be \$25 for the first car and \$15 for additional cars. Spectator time starts at 11:30AM and awards will be at 3:30 PM. The Devil Dog Squadron of the Commemorative Air Force will be participating in the Show. In addition, they will giving rides in their B-25. Awards will be the "Top 30" and Best in Show along with 9 other Special Awards. All proceeds go to HelpOurWounded.Org. This is a **GREAT DON'T MISS CAR SHOW WITH A GREAT CAUSE**. Caravanning details at a later date. STAY TUNED!! Rain date Saturday March 8.

**March 22, - The Hamilton Car Show**. This is a DON'T MISS FREE CAR SHOW. STAY TUNED!!

March ?? - Irl Unruh, Mark Kidd, Don Weber and I are working on an Activity that includes the Wild Flower Farm in Fredricksburg. STAY TUNED

**Saturday, April 26 - The Bluebonnet Car Show** - At the January Monthly Meeting, the members present voted to have a Car Show this year. Three members volunteered to Chair the Bluebonnet Car Show, Mark Kidd, Don Weber and Gene Petterson. Mark and Don are moving fast. The next day they discovered that Hamilton Creek Park is and will continue to be unusable for the car show. In addition, the Air Show has moved their date away from the Bluebonnet Festival. To solve both problems Mark and Don have established an alliance with the Air Show. The date for the Bluebonnet Car Show will be the same date as the Bluebonnet Air Show, April 26. Further it will be located at Cecil Atkisson Dodge, right across Highway 281 from the Air Show. They have also arranged for a shuttle bus to move spectators back and forth between the Air Show and the Car Show. Mark and Don are going to need a lot of help. So when asked, answer with a SMILEY YES!!! **THINGS ARE MOVING FORWARD FAST - STAY TUNED!!**

**Progressive Dinner** - I am thinking that the best time will be in the Spring. I am looking for 3 to 4 Host Families who will host a food course in their home, hors d'oeuvres, salad, main course and dessert. Remember to be a Host Family you have to have the capability to support parking for 20 - 35 cars and 40 to 70 people. At the monthly meeting I said 40-70 people and implied inside only. What I really meant was using both the inside and the outside of the homes.

**Garage Sale** - This is a fund raiser for the Club, where members donate items, not only car parts, but household goods and anything you think will sell. Those donating need to bring the priced items to the Sale on the Sale date and be prepared to pick them up if the items don't sell. We have made as much as \$900.00 with this Activity; especially if Billy Hutson attends. Camilla Wenmohs suggested we do this Activity at a Swap Meet. I will be meeting with her to see how we can make this work.

**Welcome New Guest**

**Presenter: Bob Brown**

Bob introduced a guest— Cheryl Roberts. Cheryl, owns a 78 restored Transam. She did art work for the government, and if we look under the hood of her car, we will see signatures of vets who viewed her car. We are looking forward to seeing Cheryl become a member of our club.

**Club Reports**

**Wellness Report**

**Millie Deets**

Our chairman, Millie, sent out two cards in the month of December. One to Sue Armstrong, but it was returned with address incorrect. Another went to a lady that she could not remember, because she did not have her notes with her. Millie, was going to send a card to Clarence Barnes, but Clarence was at the meeting and said that his stay at the hospital was only over night. His tumor was removed from his bladder with no problem this time.

**Secretary Report**

**Shirley Anderson**

November Minutes are filed on the Web-site, and they were included in the Newsletter. Our newsletter for December is also posted on the website. We did not have a meeting in December because we had our Christmas Party in it's place. The newsletter always includes the monthly minutes, and is sent out by e-mail to all members who have a valid e-mail address with the clubs' communication representative (Shirley Bullard)

**Treasurers Report**

**Barbara Weber**

Two Hand-outs per Barbara. First hand-out was the report for the month of December. The report displayed the starting balance as of the end of November, adding the membership fees for four new members, plus the money from the 50/50 collected from the Friday Night Fever held the first Friday of November. Sold one t-shirt and 1 Christmas Dinner ticket were deposited. We had no expenses in November. Our bank balance for this month was nice, but hold on tight. Our other hand-out was the report for the month of December. She started with our balance from November and the income was fees for two more new memberships, and the selling of Christmas Tickets

for 65 people. On the night of the Christmas Party, we paid two bills, one for the music and to the Hidden Falls Golf Club of Meadow Lakes for the wonderful meal.

**A note for us to be happy is that the Christmas expenses stayed in budget.**

## Past/Future Activities

Mike Dohrse

**NOTATION :** To read Mikes' Activity report, go to the section of the Monthly Newsletter above and locate Mikes' report.

Mike's story of how Jerry stole his 50/50 prize at the November Friday Night Fever:

Mike buys \$20 worth of tickets, and he receives only half of his tickets. Then Jerry buys \$10 worth of tickets and then Mike is given the remainder of his tickets. Keep in mind that Mike now has a break in his tickets. Well guess what number is called -- RIGHT the first ticket that Jerry has. If Mike had been given all of the \$20 in one consecutive row, then Mike's would have won the 50/50. --- A sad story ....

## Old Business

Jerry, the chairman of the Donation Committee - Reminded us that we still have the \$250 that was given to us from the Burnet County Fair, and we agreed to address our donation at this meeting. After a short discussion the members did not want to give the money to the Boys and Girls Club this time. Mark Kidd suggested that we should give the money to the Marble Falls Library.

**A Motion** made by Jerry that the \$250 be given to the Marble Falls Library,

**Seconded** by Mark

There was no more discussion and the **Motion passed**

## A Reminder: --

### MONTHLY DINNING-OUT FOR JANUARY:

Starts at 5:30 pm FRIDAY 17th at **Mr Gatti's** Ranch Road 2900 Kingsland,

**Cecil Atkission Motors Friday Night Fever:** Held on the first Friday in February, which is the 7th. Bring old cars and any friends -- Cecil is working on having music and maybe Bar-B-Que when the weather gets warmer. Thanks went out to Shirley Anderson who brought Hot Chocolate and Coffee. It was very cold at the function, but we still had a good turn-out.

### MONTHLY DINNING-OUT FOR FEBRUARY:

Bob Deets wants the membership to have a say on when our February dinning out night would be, because if we had it one week early, it would be Valentine's Day, but if we have it on the same week as always we do, then, we won't worry about it. The ladies wanted to know if the location would be a step up from the other places we have been. Bob agree that it would be a Nice place and he would look into getting The Lighthouse Country Club in Kingsland. ---

Unless otherwise informed - - - plan on **Friday February 14th at the Lighthouse in Kingsland.**

## New Business

Shirley Anderson

**The Bluebonnet Car Show** - are we going to have it? If we do we are starting late and in order to carry this off, a lot of folks need to step up and get to work. First, we need a chairman or chair persons for the show, and that person or persons will assign other individuals specific tasks, so that we do not have two or more people stepping over one another to get all the jobs accomplished. After

some discussion, Mark and Don stepped forward and said they would work together to co-chair the show, only if they received leadership and direction from previous leaders, because they have never done this before. Jerry and Bob Deets are old timers, and they know the ropes, and agreed to help Mark and Don. A sheet of paper was passed around so that felt that we anyone who wanted to help would sign-up. It was agreed that the show would go on. The only things now was to decide on a new date, because the date of April 14th was too close and Jerry could not be ready that early. Mark, Don, Jerry, and Bob Deets will get back to the rest of the membership by e-mails and phone calls, to give us the details and assignments as soon as they work out the date, place, and sponsors. Perhaps we can put the show on in conjunction with the Air Show - April 26th, but need to wait till all the details are worked out. We all have to work fast and smart.

### Gifts

### Bob Brown

---

Bob Brown had 2014 calendars for any member that wanted to take one. Large one page colored picture of his red 1934 four window coup with the 12 months of the years at one glance.

### Information Item

---

The membership thanked Shirley Anderson, Barb Weber and Lily Berard for refreshments and treats. Help put away chairs and trash. Make sure you sign up for treats and sign the attendees book.

**Motion to adjourn** was made by: Bob Deets and Seconded By: Bob M -- passé by a majority.

The meeting was adjourned @ 7:50 PM

# BLUEBONNET CAR SHOW

## WHERE ANGELS FEAR TO TREAD, BRAVE MEN BOLDLY GO

When the call went out for volunteers to spearhead the effort to have a **Lake Area Rods & Classics** stand-alone car show separate from the Bluebonnet Festival, Mark Kidd and Don Weber stepped up to the challenge and took the burden onto their broad shoulders. Now, after only a few days, their efforts are bearing fruit. Mark and Don sent out this e-mail out on January 17, only three days after they volunteered at our monthly meeting on January 14:

**“Our car show will be on April 26th. It will be held in conjunction with the Air Show. We will be at Cecil Atkission Motors, right across Hwy 281 from the Air Show. We will be in touch with those of you that signed up to help.**

**This is short notice as we discussed at the meeting, but we will get it done. “**

Their efforts are already bearing fruit as of the date of this writing (Jan. 17), Randy Printz who, with his wife attended our January meeting, sent Mark and Don this e-mail.

**Don & Mark,**

**As a door prize I will give away a free Chassis Dynamometer run at "The Shop" in Kingsland Texas. I will give the lucky winner:**

- **One (1) pull on the Dyno to chart his HP & Torque over the RPM range,**
- **Quarter mile drag run on Dyno measuring reaction time, 1/8 mile, 1/4 mile ET and Top speed.**

**A total value of \$175**

**I hope this helps, I will see if I can give other items also.**
