PRESIDENT’S NOTES

I would like to thank V.P. Shirley for standing in and writing the comments last month. Her effort was deeply appreciated.

There hasn't been much happening this winter. I'm sure things will pick up when the temperature rises.

We are on the countdown for our upcoming April car show.

Please volunteer with your talents to help Mark & Don.

There is a lot that needs to be done long before show day.

EDITOR’S CORNER

Special thanks go to Bob Deets, our President, Mark Kidd, our Activity Co-Director, and Amber Cox, our Secretary. Every month, they have to sit down and compose their contributions for each issue of our Newsletter, and get it to your editor by e-mail. Sometimes getting the articles to him is difficult. Thank you, Amber for all the work you had to go to get the Minutes to me. These folks put in a lot of effort, and your friendly editor appreciates it very much. Their articles are the heart of the Newsletter.

There was not a lot of activity in January, other than our monthly meeting and our Wednesday morning breakfasts, so there aren’t any pictures of events. Even our Friday Night Fever was called due to bad weather. Because of that, there are some pics of one of our member’s first car and first (automotive) love.

Hey folks, here’s an idea. Send in pics of your first car and the story behind it, Tell of having to be separated from it, and whether you were glad or sad. There must be a lot of stories out there, since we have a LOT of members. Come on, don’t be shy. Let’s add a little spice of our Newsletter.

CHICK FIL’A HONORS OUR VETERANS AND THE MISSING

Chick-fil-A, the same fast-food outlet has once again proved a positive to the world. This time it did so by unveiling an amazing Veterans Day tribute that left Georgia resident Eric Comfort in complete shock.

According to a Facebook post he published on Monday, when he walked into a local Chick-fil-A, Comfort discovered a "Missing Man Table" that contained a single rose, a Bible and a folded American flag, as well as a plaque within which was the following explanation: "This table is reserved to honor our missing comrades in arms.

The tablecloth is white - symbolizing the purity of their motives when answering the call of duty. The single red rose, displayed in a vase, reminds us of the life of each of the missing and their loved ones and friends of these Americans who keep the faith, awaiting answers. The vase is tied with a red ribbon, symbol of our continued determination to account for our missing. A pinch of salt symbolizes the tears endured by those missing and their families who seek answers.

The Bible represents the strength gained through faith to sustain those lost from our country, founded as one nation under God. The glass is inverted - to symbolize their inability to share this evening's toast. The chair is empty - they are missing."

After the story went viral, the store manager, Alex Korchan, explained to WSB that his team members had set up the table because they "wanted to honor veterans." Furthermore, he revealed that he planned to offer free meals to all veterans and their family members this Veterans Day between the hours of 5 p.m. and 8 p.m. Korchan also put up a poster so that customers could write in the names of loved ones who they have lost. "We've had a lot of people who have come in and seen it and been touched by it," Korchan continued. "It's been special to see."
This is our member's first car, and in terms of cars, his first love—a 1941 Chrysler Windsor, 4-door sedan with suicide rear doors, two tone, Light Polo Green on top, and Dark Polo Green on the bottom. This car was bought by the member's grandfather on Monday, December 8, 1941, the day after Pearl Harbor. The car was given to the young member in 1954, when the member was 14. He cherished it and drove it until he bought a new metallic maroon Corvette in 1967, after one winter in New York caused it to start to rust out. Eventually a Chrysler 392 inch Hemi from a 300 D found residence between the frame rails. It became a sleeper—a car that looked like one Grandma would drive, but it was a Q Ship, and was a worthy addition to the Squires hot rod club in Portland, Oregon (he still has his plaque). This member wishes he could find out what the car's fate was. His wife still has not forgiven him for having let it go—the major marital discord of the marriage.
