I am sure there is at least two guys smiling that the car show is over till next year. I want to thank all the workers that did such a fine job.

From my view everything went as smooth as silk. The nominations of officers will be at the May meeting.

Make sure you come and be ready to help.

ACTIVITY REPORT
By
Mark Kidd

Howdy Y'all, Mr. Frank C. tells me it's time for me to share with you all the STUFF that's been happening.

I'm gonna make it real short and sweet,

A Great Big Ol' Hug of Gratitude to all y'all that helped make this Car Show great, iffen it weren't for all the help,

Me and Mr. Don Weber couldn't have got it done.... I'll update future events at the meeting May 10th. 7:pm at the Marble Falls Library,

Fine dining at 5pm. at the Grand Boofay

EDITOR'S CORNER

It was a great car show!!!! Mark and Don Weber outdid themselves on the organization and in getting sponsors. They must surely be worn out about now. Mark wrote a short Activity report, because he was headed for about two days of solid rest, but before his head hit the pillow, he got off the above short correspondence.

Those guys could sure use some more help. Rick Sullivan rounded up a couple of good door prizes in the Johnson City area, but we have a lot of new members whose time and talent would sure help out for the next car show. We all have a year to think about it, so let's get some new blood involved so that our two mainstays don't get worn out and discouraged.

As our President Bob Deets noted, nominations for officers will be coming up at the May meeting. Here is another place that some new blood would be helpful. Amber Cox is an excellent secretary, the minutes she sends in for the Newsletter are flawless and easy to incorporate. She is a new member and it would be nice for some of the new folks to step in and help run the show. Here too, new blood is what keeps an organization vital and fresh. Give it some thought. There's some remarkable pool of talent in our membership, and it should not go unused.

April's Friday Night Fever was sort of a washout due to the impending foul weather. Some of the die-hard folks still got together at Mom's Café in Burnet for dinner. After dinner, they took their show cars down to Cecil's to see what was going on. The used car lot had not been cleared for our show (since no show was planned due to weather), so those 5 or 6 cars just gathered in between the rows and had an informal show and folksy get together to visit. Imagine the '67 Survivor's surprise when he saw his Evil Twin!!! That made his night. Now he doesn't feel so lonely. Our Photographer was not there, and your editor didn't think to take a camera, so those moments were not captured for posterity.

Ron McMinimy is being recognized by the International Association of Fallen Fire Fighters and his name will be placed on the memorial wall in Colorado Springs in September. They will be flying up there for the weekend. They really have an outstanding service; Ryan got all the paperwork and it’s quite impressing. Ron’s protégé Rob has gone above and beyond to have this done; he has been working on it for a couple of years. They sent a medal on a ribbon encased in a display which Ryan asked that they display at the station and then when the time comes for Rob to retire he will get it and give it back to Ryan. They will give out a memorial book with Rons Bio….Ryan is excited; I wanted Ryan to fly up there with the guys that are going from the Fire Department; but he wanted me to come along as well. She has a friend there who s a retired Air Force Major and will show Ryan around the Academy because he know how much Ryan likes planes. Rob has also received word that the California Fire Authority wants information too so that Ron’s name will be put on their wall in Sacramento.

What a wonderful way to remember a hero. God Bless Ya'll

The impending bad weather prevented us from attending the Stephanie Meyers San Marcos Air and Car Show as a group, but Bob Brown and D.D. went. Your friendly editor and his Secretary (Judy) stayed close to home to make a quick escape back to the Oatmeal region. The old '67 Survivor instead of sitting in the garage all weekend, wanted to go to the benefit (for area food pantries) held at the Save The World Brewery in Marble Falls, so we took him. Bill Lehr and The Judge showed up as well. There were about 12 cars there. The fried catfish was good, and his Secretary said the beer was great. Nice cars too.
