MONTHLY ACTIVITY REPORT
by
Mark Kidd

Howdy y'all.....Looks like Mike D. is still in ca. So I'm prepared to step in (hopefully not in it).....

Recent Activities include dinner prior to the monthly meeting, usually at Chilies or River City Grill. These are not everyone's favorite but close to the meeting place. Seems that everyone has a great time, maybe its the company??

March 30th found the club at Home Depot for their annual Easter Egg hunt, tons of kids and adults looked at our cars and trucks. 24 club vehicles, one more than last year, yeah us.....After the Hunt some of the club went to Mosca's at Sunrise Beach. Kari T. called ahead so they were prepared for us (maybe not all of us, I'm really not talking about the Dons, I'm really not!!!) . Anyway, Kari T was right , great food, even better COMPANY .

April 6th found us in Kingsland helping celebrate their Wild Flower Festival and to Dedicate the new pavilion.....It's a pretty setting right on LBJ. I believe there were 23 club cars and trucks, you know who you are.....

April 20th found a few members at the Briggs Car Show, I didn't go, so I will have someone with vast amounts of knowledge get up and tell about Briggs!!!!!!!!!!!!!!!!!!!! ready Ron A??

April 21st found 10 club cars at the Oasis Car Show.. There were an interesting mix of cars and trucks, from a little loud black 28 "roadster pickup hot rod" to brand new Maserati's. The club walked away with BEST CAR CLUB AWARD.....I personally believe this to be true, being the unbiased person that I am??

Wed the 24th found some of you at O'Reilly's, in Marble Falls, yours truly received a text asking where, was I? Senior moment??. Anyway I believe there were 8 to 10 club cars, For so many members being out of town or being repaired, it was a good turn out.

Speaking of being repaired our own Mr. Dandy Don Weber is out of the shop, and I believe resting happily at home.....

UPCOMING ACTIVITIES:

May 4 - Saturday - San Marcos Commemorative Air Force Vintage Plane and Classic Car Show
- Presented by Stephanie Meyers and Joel Lutz. According to Ron Adwers, who talked personally to Stephanie Meyers, the general idea is to have the show with the cars parked intermingled with the warbirds. The location is at the San Marcos Airport, 2249 Airport Drive at the CAF Hangar. Registration from 10:30AM - 12:30PM, the entry fee is \$25.00. Awards are scheduled for 4:30 PM. The Car Show starts and spectators arrive at 12:30PM. There will be photo opportunities with WWII War Birds, P-51 Mustang and P-63 King Cobra. In addition, there are rides available in a B-25 (\$395) or T-6 (\$100) during the Car Show. Where else do you have these opportunities? There is a BBQ Dinner and CAF Casino Night following the Car Show for those who want to spend the night. This is my kind of show. **THIS IS A DON'T MISS ACTIVITY.** Caravanning instructions at a later date.
STAY TUNED.

May 11– Saturday– Goldthwaite– Fun in the Park Car Show—There is no entry fee for this car show. It has been a great show in the past. For more info visit www.fellowshipcruisers.com

June 1 - Saturday - Cruise to the Cherokee Home for Children - I have talked to Delton McGuire, their Executive Director, and he told me the Staff and particularly the kids are anxiously awaiting our return. I met with Delton recently at the Home. Right now they are almost 100% full. With 17 girls and 11 boys. All but 2 are teenagers. For those who have not been there, it is one of the most rewarding experiences you can have. There are many reasons these children are in the HOME, and none of them good. We provide a reason for them to smile. We do this by interacting with the kids and providing them with RIDES. The Home provides us with Doughnuts and Coffee, as well as, lunch. We provide role models, cars and rides. These are some of the best mannered kids you will ever see. They look at the cars with their hands behind their backs. Last time we went we had 17 cars and 34 members. We have done this five times and I have not had anyone say anything but how genuinely good they feel after the experience. You know when you leave you have done some good. We will caravan from Fuzzy's Corner, leaving @ 9:30AM, arriving at the Home @ 10:00AM.

June 15 - Saturday - Burnet County Area Fair - I was contacted by Connie Roark, the Chair of the Burnet County Area Fair Committee and she asked for our support by displaying our cars, (15-20) much the same as we did for The Bertram Old Fashioned Christmas . It would be from 10:00AM - 4:00PM. They see us as a huge drawing card and are very appreciative of our presence at the Fair. They asked me to do a Bio and Pictures on the Club which they are going to include in their Catalogue and their advertising. I mentioned that we are an IRS 501-c7 and she said so were they. I met with the Committee January 29, to firm up some details. At the meeting they said that they wanted to provide A Peoples Choice Award. I said that we have an ongoing relationship with the youth of our community, The Boys and Girls Club of the Highland Lakes and Cherokee Home for Children. I suggested that they might want to forgo the Award and make a donation to the children. They said why don't we do both? So they are going to donate \$250 and award and administer a Peoples Choice Award. Our location is just to the left of the Fair Club House, in a marked off area, at the Burnet County Fair Grounds. Turn West at the signal in front of Gammel Hammond, just before the Shell station on SH 281. Keep to the left and enter the Fair Grounds keep going until you see me. I will be there early to park you. **ISN'T IT GREAT, AND DIFFERENT, TO BE APPRECIATED!!**

July 13 - Saturday - The Mason Car Show is Cancelled - Jim Bois is upset with the lack of cooperation from the City and has cancelled the Show. He may have a get together at his house, not on that weekend, and we will be invited. **STAY TUNED.**

SPRING TIME

Progressive Dinner - I have postponed this activity to the SPRING. Remember, to be a Host Family, you have to have the capability to support parking for 20 - 35 cars, and 40 to 70 people inside, in case of inclement weather.

I'm still working on a variation, and I will explain at a future date. **STAY TUNED.**
