PRESIDENT'S NOTE

Well, we kind of had some nominations. It looks like the lineup will be: Bob Deets as President, Shirley Anderson as Vice President, Amber Cox as Secretary, Barb Weber Treasurer, and Activity Directors are Mark Kidd and Don Weber. We have one new member on the board, Amber Cox and her husband Matt joined right after the car show. She stepped up to the plate. Also another new member, Bill Harris will be taking over the directory. I suppose that Frank is going to continue the newsletter.

Vee Brown will continue with our website and Facebook postings. Shirley Bullard has agreed to continue with the communications. Ron Adwers is our Photojournalist. Kelly Misfeldt will take over the refreshments for the meetings. Cyndy Kidd is still the Food Coordinator.

Patsy Craven is still handling the apparel. Tom Anderson is still Membership Services. Wellness will be Peggy Davis. And last, but not least, Jerry Davis is our Donation Chairperson.

MONTHLY ACTIVITY REPORT
by
Mike Dohrse

Just when you think Summer is here, we wake up to sweatshirt weather. Last night we had a another welcome rain storm. I hope this gets to be a habit. Over the Memorial Weekend, we had 4.25 inches of rain, and some parts of the watershed had over 4.5 inches. Now all we need is 14 to 18 more days of that.

RECENT ACTIVITIES

Friday- May 2 - Friday Night Fever - 5:00 PM - ???? Although it was close on the heels of the Car Show, we had a great turn out, and the weather was almost perfect. It is always tough keeping track of the car count as cars come and go, but my count was 34, and we keep getting more and more spectators. I estimate over 100 people enjoyed the cars and the fellowship. I took my Z for the 1st time in a couple of years, and it was noticed by a female spectator. She asked Don Crow if he knew anything about that red 240Z? He said it isn't a 240, it is a 260Z with a de-stroked 400 Small Block Chevy. She immediately turned and walked off in a huff saying "I don't want to hear anymore." I wonder if Don had said it had Buick, Cadillac, Ford or Mopar would she have had a different reaction? Just before I left, a beautiful Olds 442 convertible pulled up and parked. It seems this activity is drawing more and more non-club participation. GREAT SHOWING.

Saturday - May 3 - Golphwaite Car Show - Eight cars and 14 members left the Crow's driveway @ 8:00 AM and, contrary to other car shows, all arrived intact in Golphwaite. There were 84 cars total registered for the show. Our Club did well winning 4 awards. Tom and Shirley Anderson and Jim Eplen won Top 20 Awards, while Don and Barb Weber won Best Engine, and DD Pelham took home Best GM car. A great Showing.

Saturday May 17 - Car Show Volunteer Appreciation Pot Luck Dinner - This was in appreciation for all the volunteers who helped with the Car Show, and all members were invited. It was held at the Kidd's house in Shady Oaks. Mark and Don invited some special guests that helped make the Car Show the success that it was. Forty-four people took advantage the Kidd's hospitality and Don Weber's culinary expertise. How can you go wrong with BBQ, Car People, Hot Rods and a little Beer? According to everyone there, Don's BBQ was a gourmet delight and the hors d'oeuvres, salad, vegetables, and desserts provided by you were fantastic. People started arriving at 2:00 PM, with some attending the Blanco Car Show arriving much later. By 6:00 PM, all had left with full stomachs. This celebration of a great Car Show was a huge success. Thank you Mark and Cyndy Kidd, Barb and Chef Don Weber. I have thought I ought to present Don with a tall white Chef's Hat, but knowing Don, he would rather wear a Gimme Cap. A GREAT IDEA, AND A SUPER ACTIVITY, THANKS TO THE KIDDS AND WEBERS!!!

Saturday - May 17 - The Blanco Car Show - This show has to be in one of the most beautiful settings, in a picturesque park right along the Blanco River. We had 6 members and 4 cars attend. Out of 114 total cars, we had 3 cars win Awards. Tom Anderson, Bob and V Brown, and Rick and Linda Sullivan, all won a Top 25 Award.

Friday - May 23 - Afternoon/Evening - Monthly Dining Out- 5:30PM - This month, Bob and Millie chose Tea - Licious in Burnet on the Square. As advertised they reserved parking for us on the Square. The atmosphere was great as well as the food and service. We had 26 members and 8 hot rods. Everyone said that they wanted to go back. You can't get a better endorsement than that! Thanks Bob and Millie!!!

Saturday - May 24 - Show and Shine for Heroes Night Out - Bob Deets has honchoed this activity for a couple of years. Our cars act as a draw for their BBQ cook-off, a very worthy cause. Ten members and 6 cars departed Marble Falls to meet up with 5 cars from the Austin Area Car Club in Cedar Park. There was free delicious BBQ Brisket, Chicken, Sausage, Potato Salad and Desserts. Everyone donated more than the would have, if it had been for sale. Bob passed the hat and between the two clubs raised an additional \$250 for a VERY WORTHY CAUSE. WHAT A CLUB!!!!

Saturday - May 24 - Llano Car Show & Cruise - We had 6 members and 4 cars attend. Out of the 60 cars we had 1 member who won 2 Awards. DD Pelham won 1st Place in the Muscle Car Class. In addition, he won the Cruise Award. Essentially this is the Best of Show Award for the Cars Going on the Cruise. The Award itself is a stunning, hand carved, wooden car. A beautiful work of art. DD says its going on his mantel.

UPCOMING ACTIVITIES

Saturday - June 7, - Helping the City of San Saba Celebrate their **San Saba Classic Car Spectacular**. Last year we had 11 members attend this great activity, and had super comments about the event, and wanted to go back. Here is an e-mail sent to Mark Kidd :

"Hey Mark! Great speaking with you earlier!! The City Of San Saba is hosting a BIG Celebration weekend June 6 and 7, 2014. On Friday, June 6th, the cookers start registering for the "3rd Annual Crazy Country Cook-off" in Risien Park on the banks of the beautiful San Saba River with a live band "Kindred Spirits" that night at 8:00pm. The BBQ Cook-off is sanctioned by The Lonestar BBQ Society and will be judged on Saturday afternoon. Then on Saturday June 7th, "Pecan Capital Trade Day" kicks off at 8:00 AM - 2:00 PM on the square in Historic Downtown with All Handcrafted Arts and Crafts, And Saturday Night on the square from 8:00 PM - Midnight, It's "Pecan Capital Street Dance X" starring Country Music Superstars "The Bellamy Brothers" and It's Absolutely Free!! I would LOVE to host the Lake Area Rods & Classics Car Club as part of our San Saba Classic Car Spectacular throughout the day! I have invited a couple more clubs to promote this as an ANNUAL EVENT! I would also like to extend an invitation to your club car members to be my EXCLUSIVE Judges of Ribs, Brisket, Chicken, and Beans at the "Crazy Country Cook-off", in shifts on Saturday if they would like to do it! I can't begin to tell you how excited I am at the prospect of having your AMAZING club at our event! Everyone LOVED y'all at our Pecan Jam Festival and can't wait to have you back. I will also put together flyers with 100 little bags of San Saba Native "Roasted, Buttered, and Salted" Pecans to carry up to you to promote our event at the Car Show that you are attending on April 26th, for your goodie bags. Please let me know what we can do to make your visit even more special. I look forward to hearing from you soon!"

Looks like a great Event! Mark your calendar (pun intended) and Mark will let us know what time, where we will gather, and caravanning instructions at a later date. STAY TUNED - MARK

Saturday - June 21, - Burnet County Area Fair 9:45 AM Last year we helped support the Fair by displaying our cars, and they helped us by giving us a \$250 donation, and presented DD Pelham with the Peoples Choice Award. After the event, everyone that attended concluded it was a great activity, including the Fair Association. They said that WE were the Highlight of last year's Event, and they sincerely appreciated our participation. Connie Roark, the President of the Association, contacted Mark, and asked if we could do the same this year, in a different location. Mark and I met with Connie and other Board members to iron out the details.

This year. there will be a Special Opening Ceremony Honoring Veterans and First Responders at 10:00 AM. The location is the parking lot across from the Burnet Community Center on E Jackson Street. This will position us across a parking lot from the Train when it arrives at 11:00 AM. The Fair Board expects 300 - 350 people to arrive on the train, plus all the local people attending the event. Connie has requested that we be in place not later than 9:45 AM and leave after the Train leaves at 3:00 PM. There will be all kinds of vendors. We will share a parking lot with a food trailer. There will be a lot to do during our display time. Again this year, they will provide a \$250 donation to the Club, and provide a Peoples Choice Award to a deserving Member. The Peoples Choice Award Ceremony will occur at 2:30 PM. This is an outstanding Activity supporting an organization who REALLY APPRECIATES US. Lets support them!

Saturday - July 5 - Support Kingsland and their Aqua Boom - This is our third year to be asked to support this Community Celebration. Last year, we had 27 cars plus 5 others, and 38 members, which was up from the year before. In addition, Mark grilled Hot Dogs, and others brought chili, chips and homemade goodies, which seems like a great idea for this year. It will be held in the Security State Bank and Trust parking lot, directly across from the Kingsland HEB. There is a neat place to sit in a cool breeze. The time is from 9:00 AM to 2:00 PM. This has been a GREAT FUN activity in the past and a super chance to support a local community.

Progressive Dinner - I am now in the process of putting the Host families together. Each family will host a food course in their home, hors d'oeuvres, salad, main course and dessert. Remember to be a Host Family you have to have the capability to support parking for 20 - 35 cars and 40 to 70 people.

Garage Sale - This is a fund raiser for the Club, where members donate items, not only car parts, but household goods and anything you think will sell. Those donating need to bring the priced items to the sale on the Sale date and be prepared to pick them up if the items don't sell. We have made as much as \$900.00 with this Activity; especially if Billy Hutson attends. We have a location, in front of THE SHOP on 1431 in Kingsland.

I have had to take a Medical Sabbatical, and step down as Activity Director. I will be leaving you in good hands, Mark Kidd and Don Weber.

EDITOR'S NOTE

The Club and all its members owe Mike a great debt of thanks for all the effort and planning services he has provided all of us for all these months and years as Activity Director. His leading of well planned out cruises to various venues had a precision of scheduling that rivals that of the Swiss railways. His contributions have been invaluable, and his notes that he has faithfully submitted for publication for each issue of the Newsletter have had a special note of spice and humor that is both refreshing and uplifting. His prefacing of each submittal with expert prognostications of future and recent weather events outdoes the climatologists at NOAA. Mike, thank you so much from this humble scrivener.

We have not been able to include the photos from the Blanco Car Show or the Friday Night Dine Out at Tea-Licious. Your editor is still having network and software incompatibility issues out here at the "ranch". Our subdivision is working on getting a faster internet service, since the only alternative right now is satellite or dial up. Otherwise, it's an electronic black hole out here. The current dial up situation does not allow download of files much bigger than 8mb, without completely choking up. Ron Adwers and Vee Brown deserve credit for all the pictures that appear not only on our website, but also in each issue of the Newsletter. When these issues get resolved, pictures from all events will be able to be included in the issues.

Treasurers Report

Barbara Weber

Barbara, shared 2-hand outs with the membership, showing the expenses and the income earned for the month of April. The report displayed the starting balance as of the end of March. The income for the month was itemized, and items that were shown in blue were related to the car show income. The treasurer's report sheet also showed the expenses in detail. Items on the expense column had the initials of "CS" to denote that these were Car Show expenses. The second spreadsheet showed in detail, the Car Show 2014 Collections, and Costs, reflecting the Final amount for Charity, for the 2014 Lake Area Rods and Classics Annual Car Show.

In the next two/three months the Donations Chairman Jerry Davis, will review all of the requests that are submitted by the membership. Jerry, will make recommendations to the President and Vice-President for further review. Once approved, the request will be presented to the membership for a vote. If you have a certain children's charity that you want the club to consider, submit that to Jerry Davis. Along with your nomination, plead your case, as to why you feel this charity should be selected.

Past/Future Activities

Mike Dohrse

NOTATION : To read Mikes' Activity report, go to the section of the Monthly Newsletter above, and locate Mikes' report.

Mike's opening comments --- not a joke ---:

He wants to make sure that the club knows "How WELL the Car Show had gone. !!!
The view in the sky from the air show was a great added touch.

- Mike, asked Mark for any comments on the Car Show, or anything on his mind. Mark said that Cecil was very excited and pleased on how well all of this came together, and the participation from the community was just more than he had expected. This left Cecil Admission talking about doing this again twice a year. Per Mark's remarks to the Club "This is not going to happen, for one, it will take away from the once a year Annual Show"
- Mark also wanted to invite all members to his home for an Appreciation Get-Together, where he and Don Weber will be the cooks. Brisket and chicken will be the main dish, and all of the extras will be provided by the invitees. A sign-up list was passed around, so that everyone will not bring the same dish. Directions and phone numbers were given out for the home of Mark and Cyndy. The event starts at 2 PM, and goes on till you leave. The Appreciation Party is Sat. 17th of May. Bring your own drinks, if you do not want water, bring your own chairs, if you want a place to sit, and music will provided by the same lady we had at the car show.
- Mark wants us to talk up the Friday Night Fever on the first of each month @ Cecil Atkinson. If you see someone driving their cars, make a point by stopping and inviting them to our Friday Night Fever. He met up with someone at the Kounty Kitchen one day, and come to find out they were from California. Mark made a friend and maybe one day once they are all settled in, the whole working crew might drive over. Shirley did say that she sent out 600 e-mails announcing the Friday Night Fever, when she was preparing for the Car Show, and all of the goodie bags had a flyer.

- Mike, said that he had come across the gentleman who was the club's first Vice-President, John somebody, and that he was thinking of returning to the club.
- Mark informed the club that Mike Dohrse, has been the Activity Directory since the club first started, and that he has enjoyed every minutes of it, but Mike will be stepping down. Mark added that it will probably take 2 or 3 people to replace him.

New Business

Shirley Anderson

Last year, we never appointed a person to take over the Human Resources Chairman position, called for in our By-Laws. Kelly, did this job on the last minute for us once, and it's time to go around again. Shirley asked the membership to step-up and be a part of the club's officers. The club can't continue to have the same people over and over again, and we need new blood, and new ideas. Too many of the same people have been in these positions too long, and they need time away from running the club.

Vee, passed around a copy of the Thank You notes to the membership at large. The cards will be going to all of the sponsors listed on the back of the T-Shirts for the car show. Jerry and Bob Deets requested that they wanted to hand carry the Thank You notes to the sponsors they contacted. Vee, had no problem with that, she only wanted all of the T-shirts sponsors to be treated the same; if one is hand carried, then all should get hand carried. Vee gave all 27 cards and envelopes to Jerry.

Mark, wants us to think about planning for our next year Car Show,
