PRESIDENT'S NOTE

Well, our new President has skipped town on us. I guess I'll continue to handle things till he shows up. I am finally grandkid free. They are wonderful, but I am glad that I can send them home when I get tired. I am not used to all the energy that a 10 year old has.

I hope everyone is having a great summer. It's not too hot, yet. Don't forget, we will be meeting at Kelly and Marie Misfeldt's for sandwiches and ice cream on Saturday the 12th of July at 11:00 AM, for our regular meeting. Please contact Marie or Kelly on what you can bring.

I spent a great 2 years as President. I thoroughly enjoyed it. We have had a lot of new members recently and I think most of that is due to our Friday Night Fever that Mark Kidd set up. We have had a great response. We are glad to have all new members. We are starting our 11th year as a club. And it has been great. Tom and I joined 2 months after they formed and we love it.

I hope everyone enjoys it as well.

July, 2014 MONTHLY ACTIVITY REPORT

[Editor's Note: We have a new contributor to our Club's activities. Please welcome Mark to our arsenal of talented and worthy scribes. His writing style is unique—Pure Mark, and it will make you smile. Your friendly Editor will do a little polishing here and there (using a sledgehammer, bulldozer, and dump truck), but Mark's signature style will shine through.]

HERE WE GO!!! - WELCOME, MARK

PAST ACTIVITIES

June Activity Report - Since Mike won't do this activity report anymore, it won't be as complete or as good-lee rittin..... but know this, people of the LARC, I am as good as it gets at my pay scale??????? *[Editor's Note: if Mark's quality of writing slips below the sterling level of literary excellence as exhibited here, we will indeed reduce his princely salary]*

June 13th. The club was invited to Country Oaks Assisted Living in Burnet to bring our cars for the good people who work and live there. We were served ice cream or ice cream floats, and some people even had both!!!! This was very nice for the people there, and it was for the club, because it was close and short.

June 20th found us at the Wind Chimes assisted living home in Kingsland. with 10 club cars showing up. Randy P. got this going and only on 2 days notice. What a great club!!! The staff and the folks living there were VERY GRATEFUL. Everyone had big ol' smiles on their faces, and lunch was served at noon for everyone. Thanks to the people who showed up and made these people feel special.

June 21 found 19 club cars in the city of Burnet Tx, to help promote the Burnet County Fair. This was in a different location from last year. We were by the train station in a "special set aside just for us parking area" with SHADE...There were all types of vendors, even a guy selling KORNDAGS and FUNNEL CAKES. Wow, what a occasion!! We had lots of people looking at the cars and talking to club members. at around 10: ish we had opening ceremonies, with a flag raising from members of Fort Hood and the National Anthem sang by a young girl about 10. She was wonderful. For proof, ask Barb Weber.

There were quite a few people looking at the cars but then the train came in at noon. WOW!!! then there were people all over the place. Connie Roarke and I handed out car numbers for judging by anyone who wanted to judge: club members, fair volunteers, vendors and people off the train. Somehow, Mike Dorhse found an old mimeograph machine and ended up with the most votes for a great winning car... good job Mike!!! The group running the fair really made us feel appreciated. A check was also written for all our help. This was a feel good day for everyone, and this is a must do yearly occasion for this car club!!!!!!!!!!

FUTURE ACTIVITIES

July 4th will be **Friday Night Fever** with new summer hours 6:00 PM till ??

I know it's a special day, so dress your car up in a great 4th of July display, and the best car display wins an special award. July 5th is Aqua Boom in Kingsland at the Security State Bank. 9:00 AM to 2:00 PM Gormet Hot-Dawgs will be grilled with love and respect, but I need the rest of you to participate, so please call me or Don W. and discuss what you would like to bring.. cole slaw, chile, potato salad, jello salad etc. I hear Jim E's wife makes the world's best salsa, also chip & dip. So get crazy people, let's make this FUN.

July 12th – The club meeting will be on Saturday, and will be at Marie and Kelly's home in Granite Shoals at 11:30 instead of Tues. at the Library. PLEASE RSVP. Talk to Marie and Kelly about what is needed for this to be a great " DOINS ", and sandwiches will be served for lunch. We will then have our monthly meeting, then ICE- CREAM. Again, PLEASE talk to Marie or Kelly about what they need from you to help pull this off. We have been invited to show our cars at Music In The Park in August. Details are not all worked out yet, but I will put out an e mail when more is learned.

[A late entry from Mark about an upcoming event—Ed.]

July 19—Kim Winkler of the Burnet Chamber of Commerce called Mark and announced that the Chamber will be hosting a Bluegrass Festival. As part of the festival, they will also host an informal Car Show, from 1:00 to 10:00 PM. The events will be held at Haley Nelson Park in Burnet, on Hwy 29, west of the center of town. There will be music, food vendors, and Blue Bell ice cream. Stay tuned to your e-mail for more details.

EDITOR'S NOTE

Now, that wasn't so bad, was it? Your friendly editor likes it and hopes that Mark will continue to use that unique style that brought a smile to his (the editor's) face. Everyone has a unique talent. Mike's and Mark's styles are as different as day and night, but both are fun to read and very informative. We have so much talent in our club. On the following page is a list of upcoming car show events that Mark sent in.

We are still having software and network incompatibility problems. The pictures from Friday Night Fever and the Country Oaks Show came through just fine, but the ones from the Wind Chimes show and the Burnet County Fair did not want to cooperate. Still working on solving the problem.

We have so much empty space on this page that your editor wanted to fill up the blank areas with something. Here is a something.

The motion PASSED with 99% of the membership present, and one opposed.

Treasurers Report

Barbara Weber

Barbara shared with the membership a spread-sheet showing the expenses, and the income earned for the month of May. The report displayed the starting balance as of the end of April. Income for June was itemized: 2-T-shirts, 25-memberships, 1-name tag, and 12-magazines. Expenses for June were: Get Well Cards, Stamps, Thank You Notes, and the mailing of Car Show items to members that paid and were unable to attend the show.

Barb mentioned that we are making good money from the sale of the Car Magazine, and thanks went to Millie for finding a very good price on Get Well Cards. Thanks to the members who paid their dues on time. A question went to the membership, "Does anyone know Steve Pearce? He was interested in joining, and filled out an application, but no money was received. His address is "Alaska". No-one knew him, so Barb is going to try to contact him again by the information on his application.

Past/Future Activities

Mike Dohrse

NOTATION : To read Mikes' Activity report, go to the section of the Monthly Newsletter above, and locate Mikes' report.

Mike's opening comments --- Now This is A True Story ---:

One day not too long ago, Mike found himself talking with an old car club member, who used to be a truck driver. As they were talking, Mike asked him how everything was going, and the man said that things were going very well. The man said that they are so good - he and his wife are going to church on a regular basis. He said "you know what I like the best about going to church is --- That I feel so peaceful when I leave". AND --- You should have been at the meeting to know what this man hated most about going to church

Comments from Mark:

The San Saba guys were in need of a lot of help, and knowing Mark, he is ready to give anyone his ideas. The location for the cars was too far away from the crafts, and the Bar-B-Que was too far away from everything. After talking to the car club, the Bar-B-Que and cars were moved closer together, but still too far away from the crafts. At the end, all was worked out and the ladies were given a ride to and from the arts and crafts; but we will not say by whom. All and all, the event was wonderful and, there were NO mosquitos.

Mark wanted to let us know that he and Cyndy went back to Tea Licious for a bite to eat, and Tracy the host, stated that she would like for the car club to come back again sometime soon. Tracy did say that on Tuesday and Thursday, they have live music. Mark mentioned to her about how the room we were in was very loud.

Tracy did say that they had others say the same thing. She did say that they had something in the works, to try to correct that issue.

We were informed that on **Friday - June 13 - 2:30 PM - 4:00PM** Mike had agreed to support the Country Oaks Assisted Living Center in Burnet. Mike has already lined up 10 cars to be available to display for the folks at the assisted living center.
