MONTHLY ACTIVITY REPORT
by
Mike Dohrse

It seems the temperatures are becoming surprisingly cooler; more on that later.

RECENT ACTIVITIES

Friday - September 20 - The Monthly Club Dining Out - At the Double Horn Brewery in Marble Falls. Considering the weather the turnout was great, with 20 members and 10 hot rods attending (according to LCRA some areas received 7 inches of rain), but that didn't hamper the enthusiasm for this Activity. The Double Horn was prepared and waiting for us. The food was outstanding and the service was GREAT! Deserving special note were Onion Rings, Sweet Potato Fries and Burgers (Best in the World). Thanks Mark and Cyndy - **GREAT JOB!!!**

Saturday - September 21 - 27th Annual Cruizin Cruzers Leon River Fun Run in Gatesville, TX. To my knowledge, no Club member went to this show. The preceding weather was the major factor.

Saturday - September 28 - Comanche County Car Show at Comanche City Park in Comanche. We had 4 cars and 6 members attend this Car Show. Because of a threatening weather forecast, the car count was down from an estimated 300+ to around 150. I have said it is really tough to win there, but it didn't seem to be problem with the Club's 2 cars and 2 trucks that attended this year. Jim Eplan won a Top Ten Car Award, Ken McGary won Top 5 Truck Award and Don and Barb Weber Won BEST OF SHOW. The Webers and Kidds left early, because of rain, and ran into one hell-of-a rain storm coming home. Don said he found a way to fill up Lake Buchanan, after running through a thunderstorm he could fill up the lake by just emptying his Cobra into the lake.

Saturday - October 5 - Car Show in Downtown Evant. In addition, to the Car Show there was a Chili Cook-Off, Carnival Games, Food Vendor, live music and more. They are really trying to make this a great event. They had a free breakfast for us with coffee and doughnuts, as well as breakfast burritos. In addition, they moved the Awards from 3:00PM to 1:00 PM. Based on the population of Evant, there was a surprisingly high volume of spectators constantly observing our cars. The weather was unexpectedly cold. A number of us bought warmer jackets and sweatshirts from a thrift shop on the square. At 10:15 AM, I had enough cold wind. I went to the Thrift Shop and asked the owner if he had either a Time Machine or a sweatshirt? He asked what I would do with a Time Machine? I said I would back the time up about 4 hours when I was standing in front of my closet door and select a sweatshirt to take with me. He said "we sold the last Time Machine yesterday, but they had a good selection of sweatshirts". I selected an almost new, warm one for 54 cents. DD Pelham had bought a great bright red LCRA jacket earlier. The weather forecast held the car count down to 16 cars, of which 7 were from our club. With 26 trophies, rocket science was not needed to figure out that some cars were going to win more than one trophy. Winning a trophy were Ron Adwers, Tom and Shirley Anderson, Gene and Vicky Petterson, Don and Barb Weber and Ernest Welch. Winning 4 trophies including Best of Show was DD Pelham, winning just 3 was yours truly including the Peoples Choice. Everybody agreed this was a great show.

Tuesday - October 9 - Club Meeting Dinner at Chili's - We had 21 members enjoying super food and better company there that night. Thanks Mark and Cyndy.

Saturday - October 12 - Participating in a Benefit for Ron and Shirley Adwer's Granddaughter. She was in a terrible ATV accident and is still in recovery. Ron has asked that we support this benefit event with our cars. Bring as many cars as we can bring, to use as a draw to this very worthwhile event.

We had a fantastic club turnout for this very worthwhile activity. We had 24 cars and 47 members participating. I credit myself and my great directions at the Monthly Meeting for the huge turnout. Ron and Shirley's Granddaughter, Charlie, who, I'm sure, took great effort to be there. And she enjoyed, with the rest of us, the fantastic BBQ and homemade desserts. Ron was in charge of the Raffle and everyone seemed to have a fist full of tickets. I witnessed one member hand Ron \$20 and when Ron handed him 26 Raffle tickets he said give them to Charlie. Ron said that this Benefit raised more than \$12,100 for Charlie. I am **PROUD** of this Club. We really helped one of our own.

Friday - October 18 - The Monthly Dining Out - This Month it was Mexican food at the Maxican Restaurant in south Burnet. It is reported that 21 members enjoyed great food and super service there. The threatening weather seemed to hold down the number of Hot Rods participating, with only 3 attending, but did not scare members. This is becoming one of the most popular activities.

Saturday - October 19 - San Saba Pecan Festival - At the October monthly Meeting Clif Tyldesly mentioned that San Saba was having the Pecan Festival and wanted to know if anyone wanted to join he and Keri in attending the festival. He said that he and Keri were really interested in the Wine Tasting aspect of the event. There was some interest voiced by members, so I suggested that he, Clif, be put in charge of the Activity. He did a great job of organizing and coordinating everything. When the Club arrived in San Saba they were ready and waiting for us. They had marked off and reserved premium parking spots, as well as providing free passes to the Pecan Jam on the Square. Prior to our arrival, they had articles in the paper about the Club. We had 9 cars and 11 members who thoroughly enjoyed the food, wine and the best root beer floats anywhere. In addition, there was considerable foot traffic looking at all the cars. Thanks to Clif's leg work it was readily apparent that the San Saba community really wanted us there. Jerry Davis, Cyndy Kidd, and Keri Tyldesly availed themselves of an opportunity to purchase a work of art. Each bought a new pair of cowboy boots. Thanks Clif and Keri for a great job well done.

UPCOMING ACTIVITIES

Saturday - October 26 - The 17th Annual Halloween Rod Run put on by the Central Texas Rodders. It is located at Central Texas College, next to the Bell Tower, on Highway 190 between Copperas Cove and Killeen. I was alerted by Barb Weber about this event. I have attended this Car Show a number of times and how it escaped my schedule of Activities I'm not sure. This is a great show with excellent door prizes. The T-shirts always have a unique Halloween design that includes the College. Registration starts at 8:00 AM with awards at 4:00 PM. Registration is \$20 and comes with a Goody Bag, Custom Designed T Shirt, Dash Plaque, and 40 Awards in different classes. We will caravanning from the Craw's driveway, departing at 7:30 AM.

Saturday - November 2 - Twelfth Annual Marble Falls Main Street Show-n-Shine Car Show. This is a great car show, organized by the Marble Falls Noon Lions Club, with all the proceeds going to local charities. The setting is fantastic - in scenic Downtown Marble Falls. This year, rather than classes they will select awards going to the top 20 cars. Registration is from 9:00 AM - 12:00 PM with Awards at 3:00 PM. Pre-entry fee is \$20.00, and day of the show is \$25.00. After all, this is a great local show, with all the proceeds going to local charities. You don't want to miss this one.

Saturday - November 9 - Annual Veterans Day Car Show and Parade - Veterans VA Hospital 3600 Memorial Blvd. Kerrville, TX., with 100% of proceeds to benefit our Veterans. Registration 8:00 AM - 11:00 AM. Judging begins at noon. 1st, 2nd and 3rd trophies in 30 categories, plus Best of Show and Longest Distance. In addition, the first 50 entries will receive a free T shirt. Entry fee is \$30.00 with 100% of the proceeds going to the Veterans. In a letter sent to me by The VA Hospital they said "The Car Show is a major fund raiser for the patients at the Kerrville VA Medical Center. I know the veterans will appreciate your support....." When you see the Disabled Veterans faces light up when they see the cars, it makes the trip worthwhile. This is a great cause and a fun drive on SH 16. We will depart from Fuzzy's Corner @ 7:30 AM on Saturday morning.

Saturday Night - December 14 - The Club Christmas Party - This is the Club's Premier Activity of the year. We usually have close to 70 members attending. I have not been to a party anywhere where everybody, I mean everybody, universally has such a good time. Nobody had a better time than Irl Unruh last year. In addition, the food is outstanding, the setting Great and the entertainment is unbelievable. Time is 6:00 PM - 7:00 PM for Cocktails, and 7:00 PM for Dinner. The menu is Braised Burgandy Beef Tips w Mushrooms, Chicken Cordon Bleu w/Hollandaise Sauce - Loaded Red Skin Mashed Potatoes - Asparagus Stir Fry - Garden Salad w/Apples and Walnuts - Chocolate Fudge Cake, Cherry Cobbler - Rolls and Butter - Tea and Coffee. As in the past, a cash bar will be available. Cost is \$12.50/member, with the club picking up the rest of the tab. The cost for Guests is \$22.50 per person. There will be a Chinese Gift exchange, guys bring \$20 gift for guys and gals do the same for gals. Music for dancing will be provided by Bill Dunn. **THIS THE TOP DON'T MISS ACTIVITY.**

FRIDAY NIGHT FEVER - Bob Deets and Mark Kidd by an almost unanimous vote were given the go ahead to pursue negotiations with Cecil Atkins to bring Friday Night Fever to fruition. The day after the Meeting Bob and Millie Deets left for California and nothing will happen until the Deets return.

For those not at the Monthly Meeting, Bob and Mark were approached by the new General Manager of Cecil Atkission about having some sort of joint, monthly Car Show. We would bring our cars and Cecil Atkission would provide cleared lighted space on his lot along with restrooms and air-conditioned facilities. In addition, he would also provide advertisement for the shows. In his presentation Bob Deets suggested we may use the Show as a fundraiser by selling hot dogs etc., and maybe charging non-members a \$1 entry fee. Bob mentioned that there might be a Monthly Best of Show trophy provided by Cecil Atkission and that they were ready to do almost anything to make this work. Bob also mentioned that if we were to start this endeavor we must make sure the first Shows were 1st class and well organized. Bob stressed that all of this was in the conceptual stage, and before he and Mark moved forward with Cecil Atkission, they wanted the support of the Club, which they got in the form of an almost unanimous formal vote.

Progressive Dinner - I am thinking that the best time will be in the Spring. I am looking for 3 to 4 Host Families who will host a food course in their home, hors d'oeuvres, salad, main course and dessert. Remember to be a Host Family you have to have the capability to support parking for 20 - 35 cars and 40 to 70 people. At the monthly meeting I said 40-70 people and implied inside only. What I really meant was using both the inside and the outside of the homes.

Garage Sale - This is a fund raiser for the Club, where members donate items, not only car parts, but household goods and anything you think will sell. Those donating need to bring the priced items to the Sale on the Sale date and be prepared to pick them up if the items don't sell. We have made as much as \$900.00 with this Activity; especially if Billy Hutson attends. Camilla Wenmohs suggested we do this Activity at a Swap Meet. I will be meeting with her to see how we can make this work.

EDITOR'S CORNER

It was very heartwarming to be able to participate at Charlie's BBQ and to help contribute to a very worthwhile cause. It should give us pause at how easily an accident can occur and that the effects can be devastating. Charlie is a very brave young woman who faces a very serious challenge. It is so good that she has a very loving and caring grandfather in Ron. He worked so hard to put the programs together and the success that resulted is because of his hard work. I am very proud to be able to associate with such a fine group of caring folks as those in LARC. They are a special bunch of people who have very generous hearts and are so giving.

Welcome New Guest

Presenter: Shirley Anderson

We had no guests, David and Ofelia were new members at our monthly meeting. They joined in the month of August and this was their first time to attend a meeting.

Club Reports

Wellness Report

Our chairman, Millie, was out-of-town, so no official report was given, but the group had no knowledge of any members out with any illness.

Secretary Report

September Minutes are filed on the Web-site, and they were included in the Newsletter. Minutes were not read aloud, because everyone was sent a copy through e-mail, and if they read the minutes -- we received No comments, and No changes. Motion to accept minutes that were e-mailed was made by Marie and Seconded by Kelly Misfeldt. Show of hands to accept was **100%** of members present. It was voted and passed last year (2012) that the minutes would not need to be read aloud, because the minutes are e-mailed to each member and they are also included in the Monthly Newsletter.

Treasurers Report

Stating balance as of the end of August plus September income from Membership Dues, plus Shirt, Tank, & Tee sold. We had one expense for stamps to Shirley Anderson. Balance reflected.

As this portion of the meeting gets underway, Mike's phone rang. It was Ron Adwers, letting the group know that he is running late, but had an update on the benefit for "Charlie" and that he wanted to share the information. He asked Mike to do it for him and that, if he gets to the meeting on time, he will do a follow-up on the Benefit Bar-B-Que.

September 27: Monthly Dinning-Out Nights included a total of 20 members and 10 cars. The weather was wet, but once inside the restaurant we enjoyed cold beer and burgers at **Double Horn Brewing Company**, Marble Falls. **Pictures of the evening are posted on the Clubs' website. Select the "Activities" tab, look to the left side of the page for the section under the Ron Adwers photo album section. Locate the date and Clubs' Night Out. This is becoming a Great way to join friends for a fun evening.**

September 21st "Cruzin' Cruzers" 2013 Car Show Annual Festival Celebration; @Gatesville was a rain out road trip for the club. Except for, David and Ofelia Johnson that made the trip. David, said that the drive was a little wet, and the ground was not as bad as expected. David also came home with a trophy in his class, Hot Rod.

September 28th At Comanche, Texas 25th Annual Comanche County Pow-Wow Car Club Car. We had 4 cars and 6 members attend this Car Show. Because of a threatening weather forecast the car count was down from an estimated 300+ to around 150. I have said it is really tough to win there, but it didn't seem to be problem with the CLUBS 2 cars and 2 trucks that attended this year. Jim Eplan won a Top Ten Car Award, Ken McGary won Top 5 Truck Award and Don and Barb Weber Won BEST OF SHOW. The Webers and Kidds left early, because of rain, and ran into one hell-of-a-rain storm coming home. Don said he found a way to fill up Lake Buchanan, after running through a thunderstorm he could fill up the lake, by just emptying his Cobra into the lake.

October 5th Evant 7th Annual Fall Chili Fest, also had low club participation. The weather forecast held the car count down to 16 cars, of which 7 were from our club. With 26 trophies, Rocket Science was not needed to figure out that some cars were going to win more than one trophy. Winning a trophy were Ron Adwers, Tom and Shirley Anderson, Gene and Vicky Petterson, Don and Barb Weber and Ernest Welch. Wining 4 trophies including Best of Show was DD Pelham, winning 3 was Mike Dohrse, including Peoples' Choice.

Prior to the car show, a committee member for the Car Show, reached out to Mike for advice on what would make this show better. Mike gave them several ideas, but the main thing was if they were to model this car show after the car show in Hamilton, they would become one of the best car shows around. Everybody agreed this was a great show.

Cecil Atkission Motors Show-N-Shine Car Show: Update per Mark Kidd, A meeting is set, and when Bob Deets returns, they will visit with Cecil Atkission to tie down some details. Mark said that he had been in the dealership some time ago and someone did say that the dealership was very excited about the plans to have our club cars around once a month. Bill, wanted to know if the dealership would maybe be willing to make a donation from the club to one of our charities. Since no details are set yet, this could be something to ask of them instead of us charging that \$1 we had talked about originally.

Action Item

Marie Misfeldt

The club has been mailing out the newsletter to 4 people in color. The price of a color cartridge is about \$33 and color copies take a lot of ink. When we add up the cost, the club is losing money. Only one of these members is paying dues, and we are spending \$501 yearly. I asked the membership that these copies be mailed in black and white instead of color.

A motion, placed on the floor by Randy - Seconded by Vickie, and the action passed with 100% of the membership at large.

Respond Request: If you are reading these minutes, please e-mail [Vee Brown](#) I want to receive a note. Do not share this part of the minutes with anyone. This is a secret survey !

Information Item

Membership "Thanks" to Mary Ann Gardner and Georgia Lehr for refreshments and treats. Welcome back to Lilly from the members and thanks for Barb for filling in while Lilly was absent.

Reminder: Sign-up for the Treat is filled up to April of next year, but we need members to sign up for the months after April 2014.

Motion to adjourn made by: Bob Brown and seconded by Randy -- and was passed by the majority.
